SENATOR NICHOL: Mr. President, members of the Legislature, if I could have your attention just a moment. Of course, it is no secret by now, we are off this coming Friday. Have a good time. Secondly, at the Chairman of Committees meeting this morning, we agreed on a resolution which will appear in the Journal tomorrow which says that the Speaker may refer a resolution to the Reference Committee so that it can have a hearing rather than bringing large resolutions to the floor cold. Please have a look at this and we will take this up tomorrow morning. And lastly, please get your priority bills to me by noon next Monday. This is important to you, more important to you than to me. We will be going pretty much to priority bills shortly, and as soon as you can please pick your priority and get it to me. Thank you.
